

Clock Solitaire

13-pile luck solitaire

Setup

- Deal 13 piles of 4 cards: 12 clock positions and one king pile in the center.
- Start by revealing the top center card.

Play

- Move each revealed card to its rank pile: ace to 1, queen to 12, king to center.
- Reveal the next card from that pile.
- Win if all cards reveal before the fourth king stops the game.
